

**REMARKS**

Claims 31-36 are pending in this application. The Office Action indicates that claim 33 is allowable if rewritten in independent form. Thus, to expedite prosecution but without conceding to the propriety of the rejections in the Office Action, the subject matter of claim 33 is incorporated into independent claim 31. Also, part of the subject matter of claim 34 is also incorporated into independent claim 31. By this amendment to claim 31, Applicant respectfully submits that the rejections under § 102 are rendered moot.

**CONCLUSION**

Applicant respectfully submits that the present application is in condition for allowance. The Examiner is invited to contact Applicant's representative to discuss any issue that would expedite allowance of this application.

The Commissioner is authorized to charge all required fees, fees under § 1.17, or all required extension of time fees, or to credit any overpayment to Deposit Account No. 11-0600 (Kenyon & Kenyon LLP).

Respectfully submitted,

/ Steven S. Yu /
